

It is the policy of MBS Building & Maintenance to provide product and services, which consistently meet our clients' specifications and quality requirements.

Our commitment to the achievement of these aims is demonstrated in our Quality Manual, which summarises how the company operates and maintains its quality system. Our Quality Management System meets the requirements of ISO 9001: 2008.

It is also the company's objective to seek continuous improvement through management review, by determining the suitability overall effectiveness of the Quality System as defined in the manual.

All personnel at every level of our organisation understand their part in the system and operate in accordance with the information described in the Quality Manual and in all relevant procedures.

The Company's Quality Manual and Procedures are authorised by the Managing Director and adhere to them is mandatory.

This Company Quality Policy is published and maintained electronically on the MBS internet site (www.mbsbuild.co.uk) and on the MBS electronic internal management system.

Signed:

Mark Isaac
